SEABROOK NURSERIES GLADIOLI

GROWN AND OFFERED BY

LOUIS G. ROWE

SEABROOK

NEW HAMPSHIRE

MRS. WM. E. CLARK and SUNNYMEDE

Nineteen Twenty-Six

IT is with great satisfaction upon entering another season's work to note the ever increasing popularity of the bulbs that we offer. From everywhere—England, Australia, Roumania, Germany, Holland, Canada, Cuba, California and Government Stations come glowing reports of results experienced, giving ample testimony that our vigorous, New England grown stock can be grown successfully in all climates.

Our light, sandy soil is well adapted for the growing of bulbs of the very highest quality. We staged exhibits at the leading New England shows last season that were never surpassed in quality and size of bloom. The blooms being from young bulbs grown under natural conditions without fertilizer or especial effort to produce exhibition blooms.

In this catalogue you will find the finest of exhibition and garden varieties listed at very reasonable prices, every variety tested and grown by me and found worthy.

My sincere thanks is extended to all who have helped in the success that we have achieved and it always will be my endeavour to give you the same service and consideration that has met with your favor.

Yours very truly,

LOUIS G. ROWE, *Prop.*,

Seabrook Nurseries.

Special Wholesale list of all sizes and bulblets upon application.

Care and Culture of Gladioli

BULBS should not be planted until corn planting time, as nothing is gained by planting before the ground is warm.

Select a sunny location away from roots of trees and shrubs. In localities where summer is extremely warm, a partially shaded situation is preferable. If your soil is heavy, plant four inches deep, and if light, six inches, having bulbs five or six inches apart.

Place bulbs in a well worked trench in staggard or zigzag rows, — , and cover at first with about two inches of loam; when shoots begin to appear, work balance of loam into the trench. At all times keep the soil loose. As an aid to producing larger blooms work in fertilizer around the plants when about a foot or more in height and never at planting time. At the time flower spikes appear abundant watering is very beneficial.

Bulbs should be dug as soon as you note the leaves turning yellow. Cut stem off half an inch above bulb, spread them out to dry for two or three days in a sunny location and then place in an open shed or room for two weeks or more before storing them away in a cool, dry cellar. Keep them spread out and not over three inches deep. It is a benefit to give bulbs an occasional sunning or airing during the winter.

Giant flowered, rich, glowing scarlet-red, self-color. A new introduction of great merit. 50 cents each, \$5.00 dozen. Small, \$2.50 dozen.

SALBACH'S PRIM.

An introduction just placed on the market. A most cheerful and lovely hybrid, very tall and slender with many blooms open of very cheerful peach red shading to strawberry pink. We grew it last year in our gardens over 5 feet high under natural conditions. A novelty of great merit. 15 cents each, \$1.50 dozen; Small, \$1.00 dozen.

SHELL PINK.

One of Kunderd's best Prims. Very large flowers of beautiful shell-pink, almost self-color. Spikes are very tall and graceful. As fine a variety one would wish to see. 25 cents each, \$2.50 dozen; Small, \$1.50 dozen.

SOUVENIR.

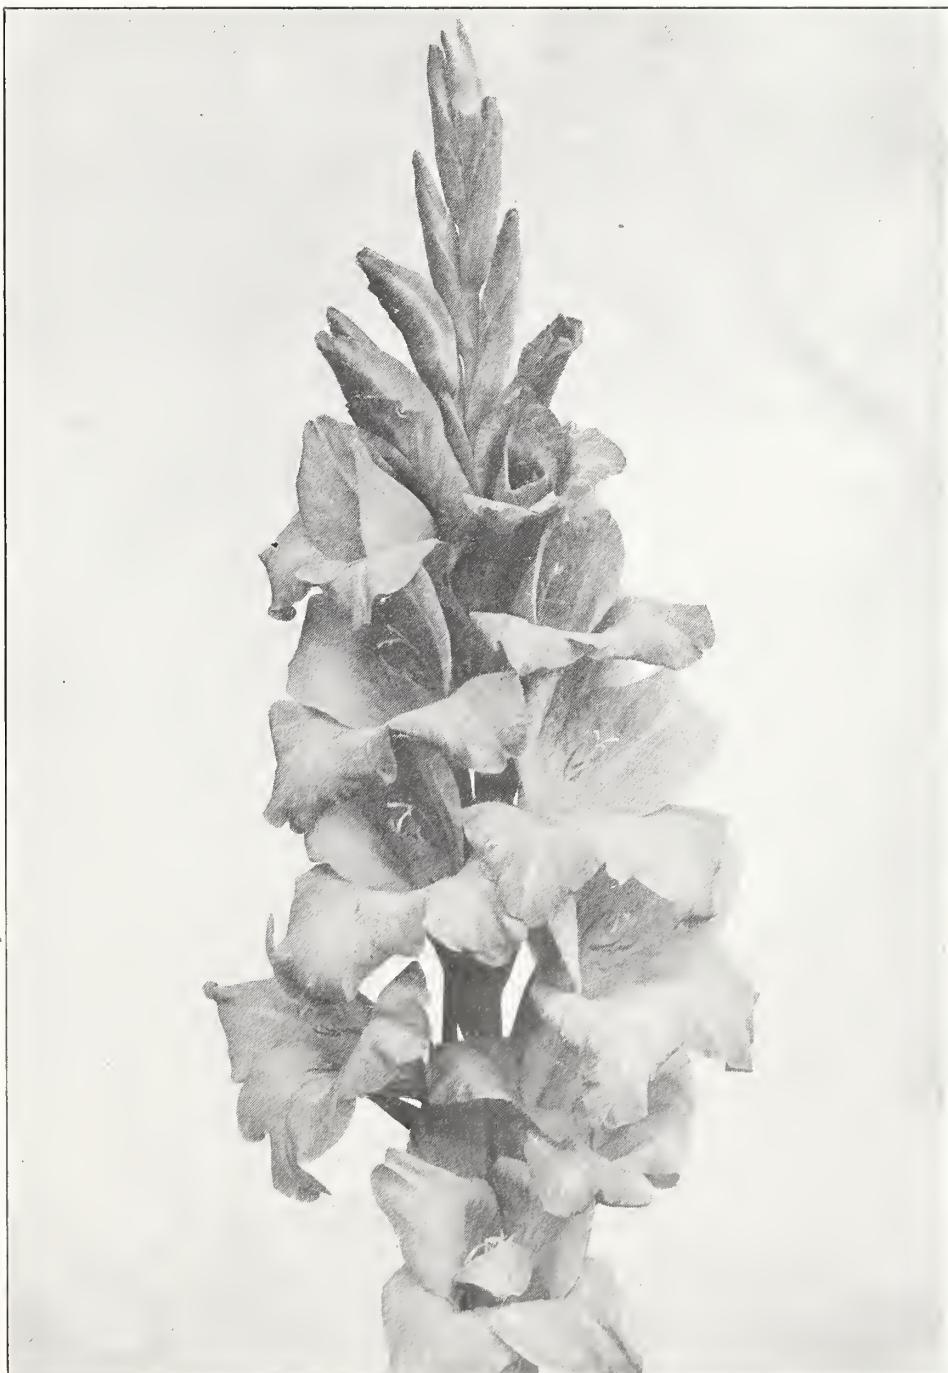

The richest, deepest and clearest yellow variety yet introduced. The best shade of yellow Gladiolus barring none. A primulinus hybrid with very fair size flowers and fine spike. No other variety approaches it for intensity of color. 20 cents each, \$2.00 dozen; Small, \$1.00 dozen.

SEABROOK GEM.

A new variety introduced by us last year and well liked by many that have given it a trial. Large, light rose-lavender, wine-colored feathering in throat. Tall, wiry spike and wide open flowers perfectly placed. Early and a very heavy propagator. Withstands dry weather wonderfully. 25 cents each, \$2.50 dozen; Small, \$1.25 dozen.

SIDNEY PLUMMER.

Another variety introduced by Carl Salbach. Beautiful soft yellow, suffused delicate pink. Rich amber lip, amaranth purple tongue. An exquisite color combination. Blooms large, well placed and slightly ruffled. Many open at a time. Rated 95 exhibition. If you want a medal winner, place this variety on your list. 35 cents each, \$3.50 dozen; Small, \$2.00 dozen.

AMERICAN BEAUTY

SWEET LAVENDER.

A lovely combination of light lavender-pink blending into creamy-yellow, with very prominent magenta-red blotch. Not a flaw with this variety and very early. 25 cents each, \$2.50 dozen; Small, \$1.50 dozen.

SULPHUR FRILLS.

A wonderful, very heavily ruffled, soft sulphur yellow variety of great beauty. Very sturdy and tall growing with fine spike of perfectly placed flowers. \$1.00 each; Small, 75 cents each.

SUNNYMENE.

A Fischer variety that is rapidly coming to the front. Rare shade of orange-yellow, fine spike with many well-placed blooms open at a time. 50 cents each, \$5.00 dozen.

SUPERBA.

Coleman's new bright, rich, glowing scarlet bordering on carmine. Large blooms, wide open and very showy. Greatly admired. 50 cents each, \$5.00 dozen; Small, \$3.00 dozen.

T. T. KENT.

Shell pink overlaid with strawberry, crimson streak on each petal. Spikes very tall and of vigorous growth. A favorite everywhere. 15 cents each, \$1.50 dozen; Small, 75 cents dozen.

VIOLET GLORY.

Large flower, rich self-color of deep violet, deeper throat. Medium ruffled. This variety is wonderfully popular on account of its very attractive color. Clean, healthy grower. 10 cents each, \$1.00 dozen; Small, 50 cents dozen.

WAR.

A very good popular-priced red. Large blooms, many open on good spike. 5 cents each, 50 cents dozen.

WHITE GLORY.

A gorgeous white with beautiful iris blue throat. Fine as a delicate iris. 10 cents each, \$1.00 dozen; Small, 50 cents dozen.

WHITE WONDER.

Flowers of pure white without any markings in the throat. Flowers well open on spike and 5 or 6 open at a time. 15 cents each, \$1.50 dozen; Small, 75 cents dozen.

WILLIAM KENT.

Creamy shell pink, golden ochre center. Flowers very large. Considered by experts to be the best ruffled variety yet produced. As many as 15 flowers open at once is no rarity. \$1.50 each; Small, \$1.00 each.
